

## Operational Requirements

Due to the importance of balance, takeoff weight and fuel quantity when utilizing a helicopter, the following information is required at the time the reservation is made:

- Number of passengers \_\_\_\_\_
- Name of each passenger
- Weight of each passenger
- Luggage (if applicable)

Pax # 1:	_____	Weight: _____ lbs.
Pax # 2:	_____	Weight: _____ lbs.
Pax # 3:	_____	Weight: _____ lbs.
Pax # 4:	_____	Weight: _____ lbs.
Pax # 5:	_____	Weight: _____ lbs.

- NOTE: Any changes to the above information must be communicated to South Beach Helicopters as soon as possible so any adjustments can be made.
- Please note that depending upon the passenger's information, seating may be assigned by the Pilot to ensure proper balance.

Please fill in the information, sign below and e-mail back to:
